Opened meeting with introduction of the new board members. We discussed our accomplishments from last year and our plans for this year. We want to add some sports equipment to the back of the school. Some students made a proposal, accepted by Mr. Crispin and we are hoping to raise funds to complete this. Also, we went over our calendar. The first event is the swim party at Shepherd Jr. High, Aug. 28th, from 5-7. We informed the parents, the first Monday of the month will be spirit shirt day, and our monthly PTO meeting. We are still selling spirit shirts and used uniforms, and this year we are also selling used khakis. Pam went over the budget. We got approvals for the teacher grants, which we are hoping we can do every year. Christine explained our need for volunteers. We adjourned the meeting
